

DSL-G2452DG 3G/LTE Compatibility List

If your 3G dongle isn't on the compatibility list we can't guarantee that it will work on the DSL-G2452DG

3G dongles that are on this list might have been upgraded (by the manufacturer) to use Hi-Link technology, we can't guarantee that this will work with our DSL-G2452DG.

Limited LTE dongles are compatible with the DSL-G2452DG.
